

Name: _____

Max and his family are moving to a new house. He has a lot to pack. His mom told him to pack away the hangers in his closet as neatly as possible. Max has the following materials that he could use: a bag of pipe cleaners, a rubber band, old newspapers, and a wooden cane. What should he use to help him pack them away and why? Use the lines below to write out and explain your answer in complete sentences.

A large rectangular area with a black border, containing ten horizontal blue lines for writing. A vertical red line is positioned on the left side, creating a margin.
